## Summary

---

Creative, detail-oriented undergraduate computer science student with a passion for user-oriented software and graphic design. Fast learner experienced in full stack development, computer graphics and web design.

## Education

---

### University of Colorado *Boulder, CO*

**Computer Science B.S. AUGUST 2018 - PRESENT ( GRADUATING MAY 2022 )**

Enrolled in the School of Engineering and minoring in [Creative Technology and Design](#). I have a major GPA of 3.5 and have taken courses on algorithms, software development, computer systems and programming languages.

### Uppsala Universitet *Uppsala, Sweden*

**Computer Science Exchange Program JANUARY - JUNE 2021**

Exchange program for CU Boulder, enrolled in the Information Technology program. I took courses on computer graphics, artificial intelligence, human computer interaction, visual interfaces and network systems. I joined a student union and was an active member of a student-led organization called a nation.

## Professional Experience

---

### University of Colorado Environmental Center *Boulder, CO*

**Student Transportation Ambassador OCTOBER 2019 - JANUARY 2021**

- Collaborated with coworkers to organize and execute various sustainability outreach programs.
- Coordinated across university and city offices to assist in day to day operations, including assisting staff and students at the university.
